## Evidence

You should use your supporting documents checklist as a guide to what documents you need to self-upload or take to your appointment.

You will be able to upload copies of your documents on our commercial partner's website, or you can take your documents to your biometrics appointment to be scanned and uploaded by our commercial partner for a fee.

**You do not need to send any physical documents to the Home Office or UK Visas & Immigration unless you are advised to do so.**

You have agreed to include the following documents in your application. Tick the box beside each document to confirm that you are providing it.

### Mandatory documents

☐

The passport or travel document for Mr Syed Abbas Hussain from India

☐

The birth certificate for Mr Syed Abbas Hussain, unless provided in a previous successful application as a dependant

### Other documents

# UK Visas & Immigration

☐ Letter of consent from your parent(s) or legal guardian(s)

A letter of consent that confirms:

- the relationship between you and your parent(s)/legal guardian(s)
- consent from your parent(s)/legal guardian(s) to the application
- consent from your parent(s)/legal guardian(s) to the living arrangements in the United Kingdom and the address where you will be staying
- whether one or both of your parent(s)/legal guardian(s) have responsibility for you

Both parents/legal guardians must sign the letter of consent, except where only one parent/legal guardian has sole responsibility for you.

If you have received a new passport since your last leave to remain application, and your visa is in your old passport, you must include both passports.

If you do not provide any of these documents, we may not be able to make a decision on your application. Note that we may occasionally ask you to provide other documents in addition to those listed.

**Your application may be rejected if you do not provide all mandatory documents.** If your application is rejected due to documents not being provided, it will not be considered and an administration fee for each person included in the application will be deducted from your refund.

## Further actions

You have chosen the priority service. You must now book and attend an appointment with our commercial partner to provide your documents and your biometrics (fingerprints and facial photograph). You can do this by logging back in to your application via the link in your confirmation email and continuing to our commercial partner's website from there.

You should receive a decision on your application within 5 working days of your biometrics appointment. We will contact you if it will take longer to process your application.
